# Now is an exciting time; for us & you!

Has it been a while since you've stopped in to see us at Farmers & Merchants Financial Services? Exciting things are happening and we are thrilled to share them with you!

**Lorraine Kasmiski** recently joined our team as our Administrative Assistant. Lorraine is a familiar face to many because she's worked at Farmers & Merchants Union Bank for 20 years. You may have seen her in the bank behind the teller line, or as a chaperone on one of the bank's bus trips, or you may have spoken with her over the phone when she was assisting customers in our IT department. Outside of the bank, you may know her through the many community events she has helped with over the years as the past President of the Columbus Area Chamber of Commerce. Please welcome Lorraine to her new role!

**Matt Hughey** has been an LPL Financial Advisor in our department for two years. As a licensed CPA in the state of Wisconsin, Matt brings with him more than 30 years of financial, accounting, regulatory and risk management experience in the securities industry.

The newest addition to the Farmers & Merchants Financial Services team, pictured in the center, **Lorraine Kasmiski**, Administrative Assistant, joins LPL Financial Advisors **Matt Hughey**, pictured on left, and **Andy Wildes**, pictured on right.

As our newest LPL Financial Advisor, **Andy Wildes** joined us last year, but he is certainly not new to the industry. His diverse experience at several well-known financial companies allows him to provide you with personalized options and advice to help you choose the financial path that's right for you.
