The new Farmers & Merchants Union Bank (FMUB) 2,700-square-foot banking facility will be located at the intersection of US Highway 26 and Western Avenue in Juneau (next to Piggly Wiggly) and is anticipated to open in the Spring of 2019.

The full-service banking office will include a drive-up, 24-hour, deposit-enabled ATM.

The new location at 198 N. Western Avenue will replace the bank's current Juneau location at 405 Jewel Street and will provide easier access for customers, larger indoor banking space and additional drive-thru and parking space.

Congratulations FMUB Team!
